Course Objective
This course is designed with the primary purpose of developing successful skills and effective personal habits. Some of these skills relate to organization, communication, goal setting and time management. It is extremely important to help students formulate these foundational skills to have continued success throughout the rest of their academic lives.

Grading Procedures
Students will be graded on a points system. Points will be given weekly for using class time to work on assignments, study for tests, and complete weekly journals. Additionally, progress reports will be sent home on a regular basis. The progress report needs to be signed by a parent and returned by the end of the week. This will count for a grade each time progress reports are given.

Classroom Procedures
Academic enhancement is designed to teach vital study skills to students so they may become more successful in the classroom. Students will be expected to work on assignments, homework or projects for individual classes, and complete assigned journal writings.

Classroom Rules
1. Be prepared!! Bring all needed materials to class daily.
2. Come to class on time and ready to work.
3. Respect yourself and respect others.

Classroom Discipline Procedures
The THS Code of Conduct will be followed.

PLEASE SIGN AND RETURN BY Wednesday, AUGUST 24th
I have read the syllabus, classroom rules, and discipline plan and understand it. I know I will be expected to complete assignments, study and keep myself organized. Finally, I understand this is a class for which I will receive a grade and will be expected to complete assignments and return signed progress reports.
