No qualified handicapped person who (i) has a physical or mental impairment which substantially limits one or more major life activities, (ii) has a record of such an impairment, or (iii) is regarded as having such an impairment, shall, on the basis of the handicap, be excluded from participation in, be denied the benefit of, or otherwise be subjected to discrimination under any program or activity which receives or benefits from Federal financial assistance.

The following is a description of the rights granted by Section 504 of the Rehabilitation Act ("Section 504") to parents and their children who are identified as disabled. The school district is obligated to inform you of decisions about your child and of your rights, if you disagree with any of those decisions.

4. To have your child receive a free appropriate public education. This includes the right to be educated with non-disabled students to the maximum extent appropriate. 6. To have decisions regarding your child's evaluation, program and placement based upon a variety of information sources, and made by persons familiar with the student, the evaluation data, and the placement options;
7. To have your child re-evaluated periodically, to the extent necessary, including before any significant changes are made to your child's educational program or placement;
8. To have your child receive an equal opportunity to participate in extra-curricular school activities;
9. To examine all relevant educational records relating to decisions regarding your child's identification, evaluation, education program, and placement;

12. To request amendment of your child's educational records if there is reasonable cause to believe that they are inaccurate, misleading or otherwise in violation of the privacy rights of your child. If the school district refuses this request for amendment, it shall notify you within a reasonable time, and advise you of the right to a hearing;
13. To file a complaint through local grievance procedures regarding any alleged violation of the Rehabilitation Act;
14. To request an impartial hearing to dispute decisions or actions regarding your child's identification, evaluation, educational program or placement as a student with a disability. You and your child may take part in the hearing and have an attorney represent you at your own expense. Questions about how to request a hearing may be forwarded to the person responsible for the district's compliance with Section 504 listed below;
15. To have the decisions made by hearing officers or others reviewed in state or federal court.
