

Thompson High School

Vision

To partner with families and the community to inspire and prepare graduates to be responsible and productive champions of their future

Mission

Preparing students for their future

Beliefs

We believe that all students can learn from quality instruction. We embrace diversity, promote respectful relationships, and have high expectations/performance standards for all students and adults. We value integrity and open communication with all stakeholders. Continuous improvement is paramount.

Reading Achievement

Objectives

- Provide engaging student learning experiences using best practice high-quality instruction to increase student literacy proficiency

Critical Initiatives

- THS will increase the % of students who benchmark on the Reading section of the ACT.
- THS will purchase an ACT program (diagnostic testing, data analysis tools, workshops, etc.) as well as additional resources to implement ACT instruction into classrooms daily.
- THS will refocus on the development and application of rigorous learning targets using Webb's DOK as a guiding tool.

Math Achievement

Objectives

- Provide engaging student learning experiences using best practice high-quality instruction to increase student math proficiency

Critical Initiatives

- THS will increase the % of students who benchmark on the Math section of the ACT.
- THS will purchase an ACT program (diagnostic testing, data analysis tools, workshops, etc.) as well as additional resources to implement ACT instruction into classrooms daily.
- THS will refocus on the development and application of rigorous learning targets using Webb's DOK as a guiding tool.

College/Workforce

Objectives

- Provide quality CTE programs and opportunities for students to enter college or the workforce.

Critical Initiatives

- THS will partner with local colleges and industry to add CTE dual enrollment opportunities.
- THS will increase the number of students who credential in CTE programs.
- THS will ensure 100% of its students have a plan to attend college or enter the workforce after graduation.
- THS will increase the CCRI% of students for

Culture of Excellence

Objectives

- Build upon a culture of excellence through enhancing relationships, raising student and staff expectations, and increasing opportunities for students

Critical Initiatives

- THS will consistently integrate mental health and character education lessons.
- THS will increase student engagement in extracurricular activities.
- THS will strengthen relationships with families through enhanced communication.
- THS will engage in the Hope Leadership Institute process of building an identity of excellence.
