Creek View Elementary 2022-2023

Creek View Elementary School

Vision

To partner with families/community to prepare graduates to be responsible & productive champions of their future.

Mission

Preparing students for their future.

Beliefs

We believe that all students can learn from quality instruction. We embrace diversity, promote respectful relationships, and have high expectations/performance standards for all students and adults. We value integrity and open communication with all stakeholders. Continuous improvement is paramount.

English Language Arts
