

The Alabama State Department of Education (ALSDE) maintains the Student Achievement Report for each Alabama school system. The information is available at the ALSDE website ([www.alabamaachieves.org](http://www.alabamaachieves.org)) under the Reports & Data Center section.

The data has been disaggregated and is available in several different reports.

The Alabama State Department of Education's School Performance data: <https://www.alabamaachieves.org/reports-data/school-performance/>

The Alabama State Department of Education's School Data is located: <https://www.alabamaachieves.org/reports-data/school-data/>
